

EAGLE WATCH

DATE: February 20, 2010

TIME: 2 p.m. - 3:30 p.m. program
3:30 - 7 p.m. caravan

MEET: Salamonie Interpretive Center
Salamonie Lost Bridge West

JOURNEY: To view eagles along the
Wabash and Mississinewa rivers. Stop
at eagle roost. Last year's high count of
eagles was 46.

This year, we will be doing things a bit differently. We will have a short program on eagles and then drive to some well-known eagle spots. We will end up at the roost site to watch the bald eagles fly in for the night.

Fill up your gas tank, bring binoculars, snacks and drinks, and join us as we look for these magnificent birds.

If you leave early, please plan to drive separately or with a group who intends to do the same.

All areas we plan to visit have had many eagles in years' past.
